Doi of the original article Doi: 10.52312/jdrs.2023.901

In the manuscript entitled “Comparison of the efficacy of intra-articular injections of hyaluronic acid and lactoferrin in mono-iodoacetate-induced temporomandibular joint osteoarthritis: A histomorphometric, immunohistochemistry, and micro-computed tomography analysis” which was published in the first issue of 2023 of the journal (2023;34(1):166-175), the following statement for the funding of the study which was financially supported by the institutional Scientific Research Projects Coordination Unit was accidentally not indicated:

## Funding

The authors received no financial support for the research and/or authorship of this article.

The corrected version of this sentence is as follows:

## Funding

This study was supported by Uşak University Scientific Research Project with project number (**BAP Project No: 2021/DHU003**).

This amendment was published in the Erratum upon the request of the authors.
